Product Change Notification

Type of Notification: Changing a Physical Appearance of Chassis

This letter is to advise you that the following products will be changed.

1. Product Being Changed (All part numbers that start with followings)

PBA10F-□, PBA15F-□, PBA30F-□, PBW15F-□, PBW30F-□, PMA15F-□

2. Description of the Change

The plating specifications of the chassis regarding the above products will be changed as shown in Table 2.1 due to reliability improvement. The color of shade becomes change. but this change does not impact the electrical specification, the external dimensions and mounting dimensions.

Table 2.1 Changed Contents

No.	Changed contents	Before	After
1	Chassis material	Electric galvanizing steel board	Hot-dip galvanized steel plate

Table 2.2 Comparison between Before and After Changes [Example: PBA10F]

No.	Series Name	Before	After
1	PBA10F		

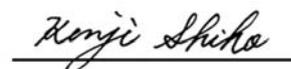

* The color shade will change because of the plating process change.

3. Effective Date

This is a running change, the PCN is valid for the production from February, 2022. Please be advised that the schedule may be changed without prior notice due to stock availability.

If you have a question, please feel free to contact COSEL sales representatives.

Sincerely yours,
