There may be a limited amount of inventory available for immediate delivery and last orders must be received by Zilog no later than January 31, 2020 for delivery no later than March 31, 2020. Orders are non-cancelable, non-refundable (NCNR) and cannot be rescheduled once the order is acknowledged.

The original hardware design files (schematics and PCB layout files) may be provided to existing customers who may want to modify the design to use the LQFP package and manufacture the modules with their resources. Please contact Zilog Technical Support ([techsupport@zilog.com](mailto:techsupport@zilog.com)) for more information on this.

Should you have questions regarding this matter or need additional assistance, please contact [zservice@zilog.com](mailto:zservice@zilog.com).

Thank you for your continued interest in Zilog products and services.

Sincerely,
